YANG MASCULINE

The masculine yang expands, penetrates, and ejaculates the seeds for planting. It brings goal-oriented energy to help focus and complete any endeavor.

Yin Feminine

The feminine receptive yin energy opens to receive the seed & nurture & gestate it until the right time for its birth into the outer world of form.

Yang Feminine

The yang feminine rides the wave of organic timing instinctively knowing when to birth the creation. It then pushes that new life from the nurturing womb space in which it grew.
