## **Schedule 2022**

**Because of the nature of our lives these days, sometimes some of you may not be able to join us live on our on-line classes. Any time you are not able to attend in person you can simply access the replay.**

**While you do not need to be on the live on-line classes, you do need to put a time in your calendar each week (or month, if you are attending in person) and set aside time to do the training. If you are attending monthly and not able to attend a class you can keep up by doing the weekly on-line classes. The more you are consistent with your training the easier it will be to stay current with the process. All On-line classes will be at 3:00 pm Central Time unless otherwise specified.**
