A scenic view of a city skyline reflected in a lake. In the foreground, there is a large, light-colored building with a classical architectural style, surrounded by lush green trees and bushes. The water of the lake is calm, reflecting the buildings and the sky. In the background, a modern city skyline is visible, featuring several tall skyscrapers, including one with a distinctive pointed top. The sky is overcast with grey clouds.

*What's moved in you since
last week?*

*Continue deepening your
connection to the living field
of creation.*

*Today we begin our “Up-leveling”
Process for Profitable High Priestess.*

In Profitable Priestess and High Priestess, we start in the center with the flowing in of our Divine Essence. Today we want to get clear on our passion, remind ourselves of what we are doing and how far we have come. We will also activate the Spiritual Aspect of this position in the wheel so it can feed both the physical aspects that we cover in the coming weeks and the other elemental forces as we move forward.

As we go into the center we will connect with the Divine in ourselves and all around us.

Core Chakra Guide

- *The crown chakra, or seventh energy center, is located at the top of the head. Here our relationship to Spirit connects us with the spiritual realm.*
- *The sixth energy center, or brow chakra, is located in the forehead. Here we think, evaluate, and learn from our experiences in concrete, abstract, and intuitive ways.*
- *The fifth body center, or throat chakra, is located in the throat area. Here we work with our personal will and the expression of truth.*
- *The fourth chakra, the heart center, is located in the center of the chest and here we experience love, grief, compassion, and kindness.*
- *The third chakra, or solar plexus, is located in the upper abdomen, in the stomach area. The solar plexus serves as the seat of our personal power and of issues of self-esteem, responsibility, and self-respect.*
- *The second body center, the sacral chakra, is located in the lower abdomen just below the navel. This energy center provides the center for our sexuality, creativity, and abundance.*
- *The root chakra is located at the base of the spine, and corresponds to the legs, feet, and tailbone. Issues such as our survival, sense of security, and connection to our tribe live in this center. This chakra is positioned closest to the earth and is significant in our relationship to her. If we feel disconnected from the element of Earth or insecure in some way, pulling energy up from the earth can help to ground, anchor, and connect us to Earth's stable energy.*

Accessing the Source of the Sacred

Create Space Around You

*As we move forward, make space & sit with space.
We've been trained to fill up space. Spend the time to eliminate.
Create even a little bit more space and little bit more care and
see what shows up.*

Ease

Ask yourself, “Are you willing to let growing your business and expanding your capacity be easier?”

If we don't let things be easier, we will limit our success because we know how hard it will be...

*Being in the
emptiness...*

*Are you willing to wait for the
right person or situation?*

Look for the open door...

Make a List

- Notice where there are energy leaks in your life & business and clear them up.
- Notice where you need more space in life and business.
- Where do you need to make more space?
