THE THANK YOU/LANDING PAGE
IS THE FIRST PAGE YOUR PEEPS WILL SEE
AFTER THEY SIGN UP.

I LIKE TO SET THIS UP FIRST, AFTER THE
OPENING PAGE, REGISTER NOW, &
PAYMENT PAGE, SO YOU CAN ATTACH IT
TO YOUR SIGN-UP BOX.

YOU WILL ALSO USE A VERSION OF IT AS A
FOLLOW-UP LETTER IN A SEQUENCE AFTER
THEY SIGN UP.

YOU CAN GO AND COPY MINE AND MAKE
CHANGES TO FIT YOUR EVENT HERE:

The other page that is going to be the next big one you create is the **EVENT SCHEDULE PAGE**. Once again, you can copy my page and just change it to your copy.

Feminine
Entering the Era of the Empress
GLOBAL EVENT!

*Here is the full schedule of all speakers, their interview topics, & their
free gifts to you!*

Please Note: These interviews will air
between December 12 to 16, 2022.

ABOUT THE EVENT SCHEDULE PAGE...

- Always add a Lifetime Access button at the top and bottom of the page.
- Make sure ***your event*** kicks off everything! I like to do it live but you don't have to.
- No other buttons except a button to go to the speaker pages. This is how your people find the interviews and all the information about each speaker.

SPEAKER PAGES

Jocelyn Star Feather

Interview Topic:

The Egyptian Lion Goddess SEKHMET and the
Fierce Fire of the Heart

Jocelyn's interview will be available right here Monday, December 12, 2022, at 12:00 noon Central Daylight Time

LIFETIME ACCESS PAGE

- I usually make this last, even after the event starts.
- As people sign up for lifetime access, I keep a list of their name and emails on an excel spread sheet. I send them a thank you email and tell them Lifetime Access will be emailed out to them on Friday after the event is complete. That way each speaker gets to speak and be heard.
- To make the Event Access Page, copy the Event Schedule Page and make adjustments.

HOME PLAY FOR NEXT TIME...

(1) Primary action item: Keep up the great work, wherever you are in the process!!

(2) If you are feeling overwhelmed, identify the next 1 (or possibly 2 or 3 -- no more than 3) actions that you need to take to move forward with your summit. And just focus on those steps. Don't worry about future steps, it will only distract you from what needs to be done now. You *will* have time to get it all completed. Trust me :) :) :)

(3) Keep on inviting speakers and getting them scheduled.

(4) Create your Registration / Landing Page and Register Now Page first.

(5) Create your Event Schedule Page. (You'll want this to be completed before the beginning of your promo period)

(6) Create your Thank You / Welcome Page.
