Taking Your

the Divine Feminine
to the Next Level

Call in Sacred Space

A scenic view of a city skyline across a body of water, with lush greenery in the foreground and middle ground. The city skyline includes several tall buildings, including a prominent one with a pointed top. The water is calm, reflecting the buildings and the sky. The foreground is filled with green plants and trees, some of which are in the process of blooming. The sky is overcast with grey clouds.

*What's moved in you since
last week?*

connection to the living field
of creation.*

Last week we spent time looking at ways to uplevel our Creative Potential and our Divine Feminine Financial Potential.

In order to truly do that, we must also uplevel ALL of our Relationships On All Levels.

We begin this week with our relationship to the Divine Feminine.

WHO IS DIVINE SOPHIA?

In the *Pistis Sophia*, Sophia is ***the first feminine principle***, a goddess. – **THE GODDESS!** Sophia is Holy Wisdom. She is **DIVINE MOTHER.**

She is the **Unseen** Energy that weaves in and out of everything. **She moves silently.** She is the **In-Between** – the “**substance that thinks.**” She is the **bond between us all.** She is the essence that breaths us. She creates energetic exchange ...between the elements...between us. She is the **Love** that you feel when you look into your child’s eyes, or at a sunset, or when you are held by your lover. She is the **tantric connection** between and through everything.

In truth, **SHE IS HOLY WISDOM.** She existed before anything physical existed, and **SHE birthed it all!**

But She cannot be seen here in physical form. Her frequency is too high to withstand this realm, especially now. ***So how do we connect with Her?***

“If there is any secret to this life, this is it:

The sound of what cannot be seen sings within everything that can. There is nothing more to it than that.”

~ Brian Andreas

So, we follow the breadcrumbs. We reach out to others throughout our history who have connected with Her and emulated Her in their lives.
