A photograph of a memorial altar. In the foreground, several lit tealight candles are arranged on a dark, wet surface. Interspersed among the candles are smooth, light-colored stones and a few red, round objects, possibly apples. A large, vibrant green fern frond lies prominently in the lower left. The altar is set against a backdrop of a lush, green waterfall cascading over rocks and surrounded by dense foliage, including various ferns and long, thin leaves. The scene is dimly lit, with the primary light source being the flames of the candles. In the upper right corner of the image, there is a small, solid orange horizontal bar.
