When we began

I invited you to leave all of your history, all of the belief systems that don't serve you behind...and step into the world of your SOUL!

Your Soul came to be informed by this planet...by the land of this planet..Your soul came both to plant her/his seed and also to “be seeded”...informed, so she/he could grow.

What is the Medicine Wheel?

It is a Spiritual Technology!!!

...a Circle of Knowledge that restores wholeness and gives power over one's life...It is a map of the Mind...a chart to lead its user to the discovery of the Inner Self, the divinity within, and to a knowledge of the true purpose of one's life...it is a self-development tool...a device for tuning in to the Earth's psychic energies and to the unseen forces of Nature...a working laboratory in which metaphysical tasks could be safely carried out...a teaching aide, a learning package, a calendar to chart one's life..and on and on...adapted from The Medicine Way

“The Medicine Wheel represents the circle of all life. When you sit in the wheel and evoke the sacred, all life comes to sit in council. The human, only one member of the web of life, can use the ceremony of the wheel to restore contact with all the relations of life. The animal relations, plant relations, stone people, spirit relations, all things come to sit in council. Our connections with the world are thus restored and the healing of the Earth begins anew. The wheel of life, the medicine wheel, is a map for everything in the universe, a blueprint of the web of life. As Black Elk said, this wheel exists in all things. Within each of us, too, the Medicine Wheel exists as our inner council.” - *Sacred Plant Medicine* by Stephen Buhner

As you move forward, if there are places that you seem stuck in your creativity, try going back to the **Divine Human Template** and ask some questions...

1. What am I holding in my body now? What have I held in my body when I danced this position in the past?
2. What am I receiving in my mind now? What have I received when I danced this position in the past?
3. What actions are determining my outcomes now? What actions have I used at this position in the past?
4. What emotions am I giving? What emotions have I given in this position in the past?

As we close our time together, what would you like to share with the group?

If you leave here, with nothing else, I want you to know that Gaia is your Mother and she loves you. She has a personality, a “face,” and a Spirit that is guided by a Heart filled with more love than you can imagine. She has provided us with everything we need to live, grow, learn and become on this planet and be fully Higher Self/Spirit directed or self-directed as we choose. As we are coming to know, the Medicine Wheel is where all this information is housed.

Our next class begins Wednesday, October 30, 2024. There are already several enrolled. You're welcome to continue this journey for free. You won't receive the Akashic readings, and you already have the tools, but if you want to anchor these teaching in in a more solid way, I am happy to keep you on the list.
