# Threshold Questions

A photograph of a garden scene. On the left, a stone wall with a textured, cracked surface features a large, arched opening. A nude female statue is seated within this arch. To the right, another nude female statue is seated on a stone ledge, facing away from the camera. The garden is filled with lush greenery, including large trees with thick trunks and various plants with yellow and orange autumn leaves. A wooden picnic table is visible in the background. A black lantern hangs from a tree on the right. In the foreground, a wooden chair and a white table are partially visible. The text "Calling in Sacred Space" is overlaid in the center in a white, sans-serif font.

# Calling in Sacred Space

A dimly lit room with three women. The woman in the foreground is wearing a black tank top and has her eyes closed. Her hands are placed on the shoulders of a woman in a blue patterned dress behind her. Another woman is partially visible in the background, also with her eyes closed. The text "Open to Receive" is overlaid in the center.

Open to Receive

# Self-Proclamation

From Nicole: Power cannot be bestowed on an individual by an outside authority. One must wholeheartedly claim it for her/himself and embody it on the basis of Inner Authority. This potency of this proclamation is amplified when joyfully and respectfully witnessed by others.

I am High Priestess, Kathy Red Eagle, Keeper of the Sacred Mysteries, Pistis Sophia, Keeper of the Sacred Portal of Wisdom and Enlightenment, Magna Sophia, She whose Compassion cannot be contained. I hail to the Goddess Mary Magdalene through the lineage of Isis. The gift I bring to the community is Divine Connection to Source through Light.

It has been an honor and a privilege to Walk With You through this Portal.

Remember, remember. Remember.  
Remember.

Wake up, wake up oh sleepers. Wake  
up, wake up and see. A new world  
created by you and by me.

Imagine a world of peace and harmony,  
the divine spark within us for all the  
world to see.

Dream this new world, dream with me.  
Dream this new world into reality.

Chanting... the earth's song

Arise, arise. Arise, arise. Arise, arise oh  
dreamers. Arise, arise and see. This new  
world we created for you and for me.

Remember, remember. Remember.  
Remember.

## Lakota Prayer

*Great Mystery,  
teach me how to trust  
my heart,  
my mind,  
my intuition,  
my inner knowing,  
the senses of my body,  
the blessings of my spirit.  
Teach me to trust these things  
so that I may enter my Sacred Space  
and love beyond my fear,  
and thus Walk in Balance  
with the passing of each glorious Sun.*

According to certain traditions, the *Sacred Space* is the space between exhalation and inhalation. To *Walk in Balance* is to have Heaven (spirituality) and Earth (physicality) in harmony.

At the core of this timeless wisdom is the word "trust". When did we stop trusting ourselves? When did we start giving that trust, that power, away?

In many ways the healing path is a process of reestablishing that trust with the infinite that resides within us, just waiting to be activated.

## SEAL: One Year and One Day

The cellular and energetic integration of the internalized New Earth Priestess is complete in one year and one day after self-proclamation and emergence. Celebratory acknowledgement of this completion is a joy to the Soul of the Awakened Priestess!

**NEW EARTH  
HIGH PRIESTESS BEGINS  
OCTOBER 23, 2024.**

A photograph of a memorial altar. In the foreground, several lit tealight candles are arranged on a dark, wet surface. Interspersed among the candles are smooth, light-colored stones and a few red, round objects. A large, vibrant green fern frond lies across the bottom of the frame. In the background, a small waterfall flows over a rocky ledge into a pool of water. The surrounding area is filled with lush greenery, including various ferns and long, thin leaves. The overall scene is dimly lit, with the primary light source being the flames of the candles.
