- How to...
- Questions

# HOME PLAY FOR NEXT TIME...

(1) Primary action item: Keep up the great work, wherever you are in the process!!

(2) If you are feeling overwhelmed, identify the next 1 (or possibly 2 or 3 -- no more than 3) actions that you need to take to move forward with your summit. And just focus on those steps. Don't worry about future steps, it will only distract you from what needs to be done now. You *will* have time to get it all completed. Trust me :) :) :)

(3) Keep on inviting speakers and getting them scheduled.

(4) Create your Registration / Landing Page and Register Now Page first.

(5) Create your Event Schedule Page. (You'll want this to be completed before the beginning of your promo period)

(6) Create your Thank You / Welcome Page.

(7) Create your YouTube Channel and secure Cloud Storage.
